

MILLERSBURG

—Prof. Arnold will leave for Louisville to-day, where his wife will undergo an operation.

—Miss Mary McDaniel, instructor in the Cynthia Graded School, is at home on account of the closing of the school for "flu."

—The Young Folks' Dancing Club met with Mr. and Mrs. J. C. Leer, Jr., Tuesday evening and a delightful time was experienced.

—Mr. M. D. Hurst and wife were at the bedside of his brother, Mr. Jesse Hurst, at Flemingsburg, Wednesday, who is critically ill, with no hope of recovery.

—Through misinformation in our last letter we stated that Ralph Becraft, of Paris, a student at the M. S. L., was seriously ill of double pneumonia. Mr. Becraft has scarlet fever, but is improving nicely.

—Mr. and Mrs. James Hutsell will occupy the home of Mr. and Mrs. R. L. Tarr, during their absence in Florida. Mr. Hutsell recently sold his farm near Mt. Sterling. Mr. Tarr will leave for Florida next Tuesday.

—THE SICK—Miss Alfa Ball, who has been among the sick, is able to be out again; Mrs. J. H. Barnes, who is ill with pneumonia, is improving. The following are among the new cases of "flu": Dr. C. B. Smith, W. M. Miller, Jr., J. C. Caldwell, Mr. and Mrs. C. R. Jones, and daughter, Miss Elizabeth Jones, Rev. W. W. Morton and Miss Louise McIntyre. Dr. C. B. Smith has gone to the Massie Memorial Hospital, at Paris, for attention. He was the physician at M. M. L., while master W. M. Miller was a student at the same institution. Master Wadsworth Jones, a day pupil of M. M. L., and Bert Deering, colored, a domestic in the school are confined to their homes with scarlet fever, directly traceable to M. M. L. G. S. Hill is able to be at his place of business after a slight attack of "flu." From what we can learn the M. M. L. patients who are confined to their rooms with "flu" and scarlet fever, are improving.

ONE-FOURTH OFF FURNITURE, ETC.

Until the 1st of March we are making reductions of 25% on all furniture and everything else in our store in order to raise cash and to make room for Spring goods.

E. M. WHEELER,
Robneel Building.

(Feb 13-14)

HE CAN PUT IN FULL TIME NOW

For Nearly Three Years He Was Unable To Do A Day's Work.

Feels Fine Since Taking Tanlac.

My mother was even in a worse fix than I was and I can tell you that was pretty bad, but Tanlac has put us both in good shape," said Albert J. Helfert, of 2009 Venable street, Richmond, Virginia, while discussing the medicine, recently.

Mr. Helfert was born and reared in Richmond, where he has followed his trade as brick mason for thirty years. He has helped to build many of the large brick buildings erected in Richmond during the past quarter century. Mr. Helfert stands high in the Brick Mason's Union, is also a leading member of the Richmond Eagles, Lodge No. 1, and is highly respected by all who know him.

"Regardless of exposure to all kinds of weather," explained Mr. Helfert, "I have always enjoyed very good health until three years ago. At that time I began to have pains in my back and joints which kept getting worse in spite of all I could do. Well, I found it was rheumatism that had me in its grip and I finally got to where it was agony for me to move. My back and knees hurt me so bad that I could hardly lift trowel and brick."

"I actually dreaded to go on a job, I ached so bad, and had just about decided to give up my work when a friend persuaded me to try Tanlac, saying it had relieved him of the same trouble and put him on his feet in good shape. That very same day I went to the drug store and got a bottle of Tanlac. I had tried all kinds of liniments and medicines without results, but Tanlac helped me from the start and by the time I had finished my fourth bottle I was like a new man. I was able to go on the job and do a full day's work for the first time in nearly three years. At present I am as well as I have ever been in my life and I mean to say by that, I haven't an ache or a pain of any kind."

"My mother had suffered from rheumatism for a number of years and even worse than I did. She had it so bad at times she couldn't cross the room without holding on to the chairs and bed. When she saw what Tanlac had done for me she began taking it and to-day she is getting around as well as if she wasn't more than twenty years of age. Her friends all seem astonished at her wonderful improvement and she never gets tired telling about Tanlac. Knowing what I do about Tanlac, since it has done so much for mother and myself I am glad to show my appreciation by giving this statement for the benefit of others who need just such a medicine."

Tanlac is sold in Paris by the Peoples' Pharmacy. (adv)

DEATHS.

COLUMBIA.

—Mrs. Lou Columbia, aged thirty-eight, died Tuesday afternoon of pneumonia at her home on the Maysville pike, after a short illness. She was a daughter of Mr. and Mrs. Noah Gray, formerly of Bourbon county, now residing in Spencer county, and the wife of George Columbia. Besides her husband, she is survived by her parents, three children, five brothers and one sister.

The funeral was held yesterday morning at 10:30 o'clock, with services conducted at the grave in the Paris Cemetery by Rev. Arthur Fox, pastor of the Paris Baptist church.

RONAN.

—Miss Catherine Ronan, aged eighty-three, died early Monday morning at Latonia, where she had resided since moving from Paris several years ago. The funeral was held Tuesday at the Church of the Holy Cross, in Latonia, followed by burial in St. Mary's Catholic Cemetery.

Mrs. Ronan is survived by four sons, Jack Ronan, of Paris, William Ronan, of Los Angeles, Calif., Thos. Ronan, of Detroit, Mich., and Chas. Ronan, now in the U. S. Army transport service in Siberia, and three daughters, Mrs. James Shannon, of Sacramento, Calif., Mrs. Charles Woolley and Mrs. William Fagin, of Latonia.

ESTES.

—Mrs. Mary Belle Estes, aged fifty-five, wife of Mr. James W. Estes, of the Shawhan vicinity, died at 11:30 o'clock Wednesday morning at her home near Shawhan, after a short illness of influenza, which developed into pneumonia.

Mrs. Estes was a daughter of Charles C. Tate, and was an aunt of Mrs. Will W. Dudley, of this city. Besides her husband, she is survived by three brothers, John Tate, of Lexington, Wm. Tate, of Kansas City, Mo., George H. Tate, of Shawhan, and one sister, Mrs. Julia Teegarden, of Sharpsburg.

The funeral will be held in the Mt. Carmel Christian church, at two o'clock this (Friday) afternoon, with services conducted by Rev. J. R. Jones. The burial will follow in the Jacksonville Cemetery.

TALBOTT.

—Following a short illness, Mrs. Ann McMillan Talbott, aged eighty-two, died Wednesday night at 11:45 o'clock, of pneumonia, at the home of her son, Wm. F. Talbott, on Seventh street.

Mrs. Talbott was a daughter of the late Robert and Matilda Barclay McMillan, and was born at the old Barclay homestead in Clark county. She was united in marriage at an early age to Samuel Henry Talbott, of North Middletown, and resided near North Middletown until his death. Since then she has resided in or near this city. She is survived by her two sons, William F. Talbott and Robert C. Talbott, both of Paris. Mrs. Talbott was a half sister of the late Dr. J. T. McMillan, of Paris. She was a devoted member of the Christian church, a woman of rare intelligence and culture, and was beloved by all who knew her.

The funeral will be held this (Friday) afternoon, at three o'clock, with services conducted at the grave in the Paris Cemetery by Rev. W. E. Ellis, pastor of the Paris Christian church. The pall-bearers will be: Wm. M. Talbott, Dr. Raymond R. McMillan, Grover Baldwin, Virgil Galtshill, Dr. H. E. Foster, Wade H. Whitley, J. W. Thomas and Walter Kenney.

CURRENT.

—Following a short illness of influenza, Eli Current, aged fifty-five, died at an early hour Wednesday morning at the Massie Memorial Hospital, in this city, where he was brought Tuesday afternoon.

Mr. Current was a son of the late Thomas and Angelina Current, and had been for years engaged in farming on the old home place near Centerville. He is survived by one sister, Miss Carrie Current, and three brothers, Frank Current, Oscar Current and Allen Current.

The body was removed from the hospital to the George W. Davis undertaking establishment, where it was prepared for burial. The funeral was held yesterday afternoon at three o'clock, with services conducted at the grave by Rev. W. E. Ellis, pastor of the Paris Christian church. The pall-bearers were John Bell, Sam Houston, Joseph Houston, Miller Lail, Herbert Smith and John Lail.

SMITH.

—Two members of the same family dying within a short time of each other, from the same disease, is the crushing blow that came in the family of Mr. and Mrs. Jos. A. Smith, of near Paris, Tuesday morning.

Sam Smith, aged twenty-one, was the first to succumb to the disease, pneumonia, his death taking place at 10:30 Tuesday morning, after an illness of but a few days. His younger brother, Wilson Smith, who had been taken ill about the same time with the same disease, died at 2:30 o'clock Tuesday afternoon. Neighbors were unaware for some time of the state of affairs at the Smith home, as there was no telephone in the house and no communication was had until Mr. Smith himself sent word to the closest neighbors of the visit of the death angel to his home. The young men had been attending school, but were advised to remain at home until they recovered from severe colds they had contracted. They were both popular and highly regarded in their community. Five other members of the same family who have been very ill of influenza at the family home, on the Lew Taylor farm, on the Jackstown pike, near Paris, are recovering. The death of the two boys, who were known as industrious, capable and intelligent young men, cast a gloom over their vicinity.

THE BEST PROOF

Given By a Paris Citizen.

Doan's Kidney Pills were used—they brought benefit.

The story was told to Paris residents.

Time has strengthened the evidence.

Has proven the results lasting.

The testimony is home testimony.

The proof convincing.

It can be attested by Paris residents.

Mrs. J. T. Martin, 1024 Main street, says: "Kidney trouble came on from a fall and the results were very severe, causing me more suffering than the fall itself. No one can ever know what I went through at that time, for I suffered awfully. My back ached and pained until I thought it would break in two. Sharp twinges shot through my kidneys, and if anyone had hit me in the back with a heavy axe, it could not have hurt worse. In one week after using Doan's Kidney Pills, I felt like a different woman, for they fixed me up in fine shape."

After a lapse of eight years, Mrs. Martin said: "Doan's Kidney Pills have made a cure for me and it has been permanent."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Martin had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)
